Abstract

Modified from <https://journals.aas.org/aastexguide/>. The format of the titles have maximum similarity with the published version. The references are also well formatted. For example, [Ren et al. \(2017, 2018a,b\)](#); [Zhu \(2016\)](#). In the References section, the `doi` is linked to the journal or proceeding name, and the `adsurl` is linked to the volume and page number.
